This company is giving its employees a yearly stipend for experiencesSoftware company Qualtrics has begun giving its employees a yearly stipend to have experiences they would otherwise be unable to have, Tony Spitz has the details.Companies that are able to make their employees feel valued and satisfied with their work tend to have a more productive workforce. While companies by and large would probably like to have satisfied employees, not all go about it the right way.24/7 Wall Street independently examined the employee reviews in Glassdoor, this is not a Glassdoor commissioned Report.More: Are these the worst cities to live in? The study analyzes the quality of life in the USA. UU. 18. Kraft Heinz CompanyGlassdoor Rating: 2.7/5 employees who would recommend working in the Company. 39%Employed: 39,000 Industry: Food and Drink Manufacturing Foods: 5.0 Cojas on average. The most common rating given by Kraft employees in Glassdoor is a 1, the lowest score possible. However, the perception of the employees of the company is improving. The company's rating in Glassdoor last year was an even lower 2.4, then the second lowest ranking among all major companies. Similarly, the percentage of reviewers approved by CEO Bernardo Hees has increased from 27% from June 2017 to 43% this year. One of the most common complaints of staff is that the company has a bad balance between work and life, and an employee has published: "The 11-hour days have become the norm." 17. Who would recommend working in the Company: 46% of employees: 34,000 Industry: the brand of construction and personal services; Auburn Hills, Mich. Employees of the RGIS retail inventory services company to a large extent have no high expectations for the company's future. Only 28% of those who evaluated the company said it has a positive commercial perspective. RGI employees have problems with many aspects of the business, but are less satisfied with compensation and benefits. On average, employees qualify the compensation and benefits offered 2.2 of 5.0. Many reviewers express frustration at the lack of hours available. HertzGlassDoor Rating: 2.6/5 employees who would recommend working in the Company: 35%Employed: 37,000 Industry: Rent Mail: Estero, the rental company based in Fla.Florida Hertz has some of the most dissatisfied employees of any major American company. The employee reviews on Glassdoor complain regularly about the company's culture and values, as well as its high management. Of the reviews, the company CEO, Kathryn Marinello, has a 50% approval rate. Meanwhile, Pam Nicholson, Enterprise CEO, one of Hertz's leading competitors, enjoys an 89% approval index. Marinello, who took the main job in Hertz in early 2017, reduced the company's rental car fleet to maximize profitability and reward shareholders. 12. DXC TechnologyGlassDoor Rating: 2.6/5 employees who would recommend working in the company: 32%unemployed: 150,000 Industry: TechnologyRoadQuiders: Tysons Corner, Va. Technology is a relatively young company. Since its formation, the IT services company has obtained many negative reviews, some of which critics with theater fusing. Dozens of employees and former employees say that one of the most negative aspects of working in DXC technology is the lack of salary increases and salary increases and only 32% of the reviewers say they would recommend working in the company to a friend, and the same part that CEO Mike Lawrie approves. More: What is the richest city in all states? 11. AloricaGlassDoor rating: 2.6/5Companies that would recommend working in company: 38%Companies: 100,000 Industry: Staffing and outsourcing Headquarters: Irvine, Calif. Employees of the Alorica customer service company regularly report on management. Workers feel they had little communication from the company best. Last year, Alorica was ranked 14th in the California list. The company is one of Glendale's top 100 reviews of companies, it is improving. Since 2010, Alorica's approval rating has improved from 25% to 38%. Companies: 176,100 (parties' company) Industry: Department clothing, #Headquarters: shoes: Matthews, NC Family Dollar is one of the nation's largest discount store chains with 8,185 locations across the country. It is also one of the worst companies to work in the country. Only 28% of the current and former employees who reviewed the company would recommend a job with the company to a friend, and only 36% would approve CEO Gary Philbin. Although it was acquired by Dollar Tree in 2015, the brands Dollar Tree and Family Dollar remain different from each other. Despite a common parent company, Family Dollar employees are less likely to be satisfied than those who work in Dollar Tree stores. Dollar has an employee's approval score of 2.6 out of 5.0 compared to the dollar tree score of 2.9.9. LA FitnessGlassDoor rating: 2.6/5Companies that would recommend working in company: 33%Companies: 33%Companies: Health, beauty and fitness heads: Irvine, California. Many fitness employees feel that they have no chance of turning their work into the gym into a career. Although many reviewers appreciate the free gym membership that comes with work, others say that the company offers low salaries with few benefits or space to advance within the company. There were also complaints about long hours and lack of balance between work and life. Employees qualify the compensation and benefits offered by fitness only a 2.1 of 5.0. These problems could boost the high billing rate observed by many employees. Compulglassdoor qualification: 2.6/5Employees who would recommend working in the company: 32%Employees: 11,000 Industry: Ti Services -quarters: Fort Mill, S.C.it Services Company and Office Depot Subsidiary CompupCom uses about 11,000 workers, and many of them are among the most worked workers in the PAI. Less than half of the company's employees who review the Compa Áa approve CEO Dan Stone, and only 37% would employ a job in the company a friend. As a reference, the average CEO in Glassdoor has an approval of 69%. Office Depot acquired a compup for \$ 1 billion in November 2017, and despite the fusion, the company seem to have maintained different cultures. While Office Depot has a satisfaction score of employees 3.1 of 5.0, CompupCom has only a score of 2.6, almost the lowest of any important American company.
